Education and Training

05/2025

MA Pembangunan Jakarta South Tangerang

High School Diploma

- Projects and Research: PENGEMBANGAN ROBOT STANDARISASI TAKARAN BUMBU TERINTEGRASI DENGAN APLIKASI ANDROID DAN CLOUD DATABASE UNTUK UMKM
- Major in: Mathematics & Science
- Member of the Robotic Club

Brawijaya University Malang

Associate of Applied Science: B.E. in Computer Engineer

Certifications

- Practical AI for Productivity
- Architecting on AWS
- Beginner Back-end with Javascript
- Basic Cloud and Gen AI with AWS
- Basic Javascript Programming
- Basic Data Visual
- Basic DevOps
- Basic Generative AI
- Google Security Operations - Fundamentals

- Introduction to Security Principles in Cloud Computing
- Basic Programming with C
- Basic Programming with Python
- Microsoft Office Desktop Application
- Programming Logic 101
- Preparation Course For Azure AI Fundamentals (AI-900)
- Strategies for Cloud Security Risk Management

Accomplishments

- Gold Medal at Indonesian Student Research and Innovation Competition
- Best Demonstration Innovation High School Robot
- Best Presentation Innovation High School Robot
- 1st place Creative Video
- 1st place Short Movie
- 2nd Place Photography on Sang Guru Event Competition Tangerang
- Best Editor
- Best Music and Sound Designer
- 1st Place Robotic Creative on Jakarta Madrasah Competition 2023
- 3rd Place Robotic Creative on Sukabumi Robotic Competition 2023
- 2nd Place in Photography at Colorful Ramadhan Festival
